Exchange Program

Home » THE SOCIETY » Exchange Program

The *European Society for CardioVascular Surgery* (ESCVS) and the Chair for Education, European Exchange, and Trainee Program (EEET) have the pleasure and honor to present their very first Exchange Program (EP).

The aims of the EP are the creation of a high-valuable network of CardioVascular residents and specialists and to facilitate educational and scientific EPs between clinics and departments within geographical Europe. For these reasons, the ESCVS offers its members the opportunity to attend a 1-month period in a cardiac or vascular department abroad, shadowing high-expertise surgeon in high-volume centers that were selected for their impeccable quality for both clinical and surgical expertise. The EP will be recognized with an official certificate which will be given at the end of the stay and prior completion of the dedicated activity journal.
